See Reverse for Parent Cooperation agreement
(REVISED 5/31/2024)

PARENT COOPERATION AGREEMENT AND PLEDGE OF SUPPORT

As a parent/guardian of a student attending PICA, I will be expected to support the following principles:

- I agree to support the administration and board of PICM as the governing body of PICA.
- I am sufficiently satisfied with the curriculum, teaching methodology, facility, statement of Faith, personnel and ideas of the school to enroll my child at PICA
- I support the discipline policy of PICA.
- I understand that PICA staff, after consultation with parents, based on diagnostic testing results, has final responsibility for the placement of my child in the proper grade and performance level.
- If problems regarding my child's education arise, I will discuss matters directly with my child's supervisor(s), and/or PICA administration. I will attempt to resolve such difficulties in a manner consistent with Christian behavior.
- I assume my responsibility for my child's education, supervising homework and keeping regular contact with my child's supervisor.
- I understand that my child is required a prescribed quantity of work that must be completed in order to progress to the next grade level and will not progress if it is not completed. 60-72 PACEs or 6 or more credits for High School per SY
- I understand that my child may be required to complete GAP PACEs if he/she is below grade level in addition to the regular required PACEs in an effort to catch him/her up to the age-appropriate grade level, at my expense.
- I will support, to the best of my ability, the various activities of PICA and ensure my student attends all field trips and conventions earned or required. I will also recommend PICA to my friends and family members.
- I will support PICA through prayer, volunteering, green dot treats, fund raising events, and merit prizes. I will further support PICA through donations and financial gifts as I am able.
- I understand that PICA students are being prepared to be in the workplace and to present themselves professionally. Students are required to be groomed according to the guidelines outlined in the Parent/Student Handbook, this includes the following: neatly pressed uniforms, No fad haircuts or styles, no hair color other than natural colors. Neutral-colored nail polish and light, natural looking makeup is permitted for high school age girls only.

I realize that building strong relations with my child's supervisor and other school staff in order to train up my child in the way he or she should go is as much my responsibility as it is the school's.

I pledge to do the following (*read and initial each line*):

- _____ pray for the staff and program;
- _____ cooperate with the staff in discipline and accept their judgment in such matters;
- _____ lay a spiritual foundation through a Godly example in our home;
- _____ support the school's character training;
- _____ follow through with any work, assignments, or slips to be signed;
- _____ see that my child arrives at school on time;
- _____ send written excuses for absence or tardiness;
- _____ cooperate in training my child to respect school property and pay for abuse of the same;
- _____ attend all parent functions; and
- _____ assist in positively promoting the school and its program among family and friends.

I further recognize that, from time to time, children take issue with actions with which they do not agree and are prone to make critical statements out of context. Since this is normal for children, I pledge that, should such occur, I will support the school personnel and contact them for further details when I have a question concerning an incident.

I also realize that a spirit of opposition and contention can quickly spread and cause damage to the school's mission, and thus pledge to encourage my child(ren) to have a spirit of cooperation as well. I realize it is a privilege and not a right for my child to attend PICA and will treat our child(ren)'s enrollment at PICA as such.

It is my intention to abide by the decisions and support the discipline of the PICA Administration.
