PARENT COOPERATION AGREEMENT

As a parent/guardian of a student attending PICA, I will be expected to support the following principles, please read through these carefully as some of the information has changed:

- I agree to support the administration and board of PICM as the governing body of PICA.
- I am sufficiently satisfied with the curriculum, teaching methodology, facility, statement of Faith, personnel and ideas of the school to enroll my child at PICA
- I support the discipline policy of PICA.
- I understand that PICA, after consultation with parents, based on diagnostic testing results, has final responsibility for the placement of my child in the proper grade and performance level.
- If problems regarding my child's education arise, I will discuss matters directly with my child's supervisor(s), and/or administration. I will attempt to resolve such difficulties in a manner consistent with Christian behavior.
- I assume my responsibility for my child's education, supervising homework and keeping regular contact with my child's supervisor.
- I understand that my child is required a prescribed quantity of work that must be completed in order to progress to the next grade level and will not progress if it is not completed. 60-72 PACEs or 6 or more credits for High School per SY
- I understand that my child may be required to complete GAP PACEs if he/she is below grade level in addition to the regular required PACEs in an effort to catch him/her up to the age-appropriate grade level, at my expense.
- I will support, to the best of my ability, the various activities of PICA and ensure my student attends all field trips and conventions earned or required. I will also recommend PICA to my friends and family members.*
- I will support PICA through prayer, volunteering, green dot treats, fund raising events, and merit prizes. I will further support PICA through donations and financial gifts as I am able.
- I understand that PICA students are being prepared to be in the workplace and to present themselves professionally. Students are required to be groomed according to the guidelines outlined in the Parent/Student Handbook, this includes the following: neatly pressed uniforms, No fad haircuts or styles, no hair color other than natural colors. Neutral-colored nail polish and light, natural looking makeup is permitted for high school age girls only.
